Re: Ambulance and equipment financing project

Dear Mr. Gaskins:

Bertie County is categorized by the NC Department of Commerce as a Tier One county, and based on the State's formula analyzing key economic indicators, Bertie County is ranked as the #1 most economically distressed County in the State of North Carolina as reported in 2015.

Population growth is reflected as negative (being in decline) in recent years, and the number of students in the public school system is less than 2,500 and has been decreasing for the past seven years. The State's estimate for Bertie County's population is 19,651 after adjusting for the 1,500 inmates incarcerated in the State prison located in Windsor, NC.

The County's Board of Commissioners has taken a very aggressive approach in recent years focusing on education, workforce development and making significant investments in infrastructure upgrades. Concurrent with these priorities has been a coordinated effort to improve various components of public safety.

North Carolina is often described as being either urban or rural in terms of population trends. The NC Office of Emergency Medical Services has a third classification for isolated areas such as Bertie County—not urban or rural, but wilderness area due to the remote nature of commercial centers and the long distance required to reach medical care.

In 2010, the Bertie County Board of Commissioners received an independent consultant's report, *EMS & Rescue Services Operations Assessment*, which evaluated the County's compliance with NC General Statutes and its adherence to State EMS operational regulations.

Specifically, the State requires each EMS system to be ***“a coordinated arrangement of resources including personnel, equipment, and facilities organized to respond to medical emergencies and integrated with other health care providers.”*** Further, that ***“the County shall establish an EMS system and that it be available to all citizens 24 hours per day.”***

The consultant’s report concluded that based on operations and activities observed, assessments of available (and unavailable) data and feedback from all parties to this study, suggest that in fact: ***“there is no EMS ‘system’ in Bertie County.”***

The 2010 report summarized the situation as follows:

“Although for the state’s purposes, by virtue of the statutory responsibility that all North Carolina Counties provide EMS, Bertie County is classified as an EMS ‘system.’ In reality, EMS in Bertie County is a function of four (4) independently incorporated, and separate non-profit organizations; some paid, some volunteer, some providing ‘Intermediate’ level care, others providing only ‘Basic,’ some providing 24 hours 7 day a week coverage while another does not.”

The Board of Commissioners took proactive action to correct the disparate EMS delivery of service, where the level and quality of service, was dependent on where a citizen resides. The Board set a goal of providing every citizen, regardless of the area in Bertie County, where Paramedic level service would be available on a 24/7 basis and within a twenty-minute response time.

Beginning in FY 2013-2014 the Board of Commissioners established a separate County EMS department operating at the highest level of pre-hospital care—Paramedic—providing countywide coverage on a 24-hour basis with permanent squads stationed at three (3) municipal locations.

Fiscal operations require approximately \$100,000 local cash per month to maintain the EMS Paramedic system. In FY 2014-2015 the County established a non-emergency medical transport service designed to greatly improve revenues and significantly reduce the General Fund’s overall net tax support requirement for ambulance services in the County. With the closeout of FY 2015-2016, the third year of EMS operations, it is time to invest in new equipment given the EMS program’s start-up using vehicles, stretchers and monitors purchased second hand.

Volume for the County’s non-emergency transport activity has grown steadily from less than 70 transports per month to more than 200 per month, and estimates for the current month (August 2016) are 250 transports.

The Board of Commissioners receives regular fiscal reports of EMS operations and has secured the services of a very aggressive billing services contractor, with a keen focus on Medicare and Medicaid regulatory compliance.

In terms of staffing, the County's current budget has 38 positions authorized for EMS and 8 positions authorized for the non-emergency transport service operation. Recruiting and retaining high quality EMTs especially at the Paramedic level remains a challenge, and to this end, the County has partnered with the local school system and Roanoke Chowan Community College to implement an EMT Cadet program at the high school level. Efforts to date are quite impressive and the County's success has been noted by the Assistant Secretary for North Carolina's Department of Health and Human Services for possible affiliation with the Brody School of Medicine at East Carolina University.

Bertie County has contacted two area banks regarding conventional financing for this project, and both banks are limited to financing only the individual ambulances, and do not offer financing for the equipment (stretchers, radios and heart monitors). Additionally, interest rates ranged from 2.51 percent to 3.15 percent and the term does not extend beyond five years.

Letters from both banks are enclosed.

USDA Rural Development's financing proposal is uniquely positioned to assist with replacement of four ambulances that are critical to our EMS operation, and offers financing coverage for the related equipment needs of these units which is not available in the private market. Additionally, USDA Rural Development provides a financing term that parallels the anticipated useful life of these units, whereas the private financing extends for only five years.

In recent capital projects, Bertie County has sought federal financing to achieve its financial goals. The new high school opened in August of 2014, and financed with stimulus funding provided by the American Recovery and Reinvestment Act of 2009 authorizing the use of taxable bonds known as "Qualified School Construction Bonds" with an effective net interest rate of less than one-half of one percent. Annual debt service payments are \$1,194,936 for the new high school or the equivalent of 9.6 cents on the County's tax rate.

Additionally, the County's regional water system is updating its telemetry system and refurbishing several municipal and community water distribution systems that have merged and consolidated with the County. The largest of the three capital projects for these water system improvements is being financed through USDA Rural Development for Water District III for a total project cost of \$3,180,000, of which \$1,717,000 is being financed over a period of forty (40) years. The support by USDA Rural Development is vital to the success of projects being developed by the Bertie County Board of Commissioners.

There are several remaining infrastructure type projects underway such as Courthouse repairs and renovations, and the relocation of the Sheriff's Office and Communications Center to the former school board administrative building, which are being funded on a pay-as-you-go basis using General Fund reserves from fund balance.

The Bertie County Board of Commissioners is committed to strong fiscal management and continuous improvement for its EMS operations. And the Board is very grateful for the support and leadership of the Kinston Office of USDA Rural Development and its effort to assist to secure financing for ambulances and equipment, replacing four units and looking forward toward other capital outlay requirements in future years.

On behalf of the Bertie County Board of Commissioners, thank you for your continued support of our EMS program.

Sincerely,

Scott T. Sauer
County Manager

Chairman Trent called the meeting to order and thanked those present for their attendance.

INVOCATION/PLEDGE OF ALLEGIANCE

Commissioner Wesson led the Invocation and Pledge of Allegiance.

PUBLIC COMMENTS

There were no public comments during this section.

APPOINTMENTS

Sheriff's Office Update, introduction of new staff, grant award from VIDANT and other activities

Sheriff John Holley was present to provide the Board with various updates including the introduction of 4 new deputies including: Richard Oliver, Lashonda Bond, Tonya Todd, and Parrish Weston.

The Sheriff also reported that the official Sheriff's Office move should take place by the end of August or in early September. He also stated that most of the Sheriff's items have been relocated, and that some additional connections and items needed to be in place before the Communications Office would be ready to relocate.

He also announced that the Sheriff's Office had received a \$7,500 grant from Vidant Medical Center to assist in the purchase of AED machines for the Sheriff's Office building, as well as for a mobile unit for a County patrol car.

In addition, Sheriff Holley informed the Board of a training exercise that will be conducted over Bertie County in December 2016. The Air Force provided the County with a letter of notification which was included in the Board's electronic agenda packet.

Training exercises will be conducted by the US Army, EchoCompany, 83rd Civil Affair Battalion from Fort Bragg in early December.

Sheriff Holley announced his plans to establish a substation for his officers in Western Bertie County, and that he is working with the Town of Roxobel to provide this space located in the former Southern Bank building.

Commissioner Wesson inquired about the latest crime stats in Bertie County.

Sheriff Holley responded by stating that Bertie County still has a very low crime rate even with the latest string of homicides in the area, and that the crime solving rate for these cases remains at 96%.

The Board thanked the Sheriff for his diligence and commended him for his service.

Interim School Superintendent, Julius Walker will present the Board of Education's request for a budget amendment and the appropriation of remaining Capital Outlay funds for the fiscal year ended June 30, 2016.

Bertie County Public Schools Interim Superintendent, Mr. Julius Walker, was present to request a budget amendment to the current budget, as well as to forward the appropriation of remaining capital outlay funds in order for the school system to cover a roof replacement on Colerain Elementary School.

The total funding requested to be brought over into the current fiscal year is \$97,878.66.

The project was due to be completed before the end of the 2015-2016 fiscal year, but the project was unforeseeably delayed.

Commissioner Wesson made a **MOTION** to carry forward the \$97,878.66 needed to complete the roof on Colerain Elementary with the preparation of a budget amendment to the School Capital Outlay for FY2016-2017 in the same amount. Vice Chairman Bazemore **SECONDED** the motion. The **MOTION PASSED** unanimously.

USDA Rural Development, Kim Miller, will review ambulance financing options per Board's request

County Manager Sauer reported that Kim Miller of USDA Rural Development was suddenly unable to attend tonight's meeting.

County Manager Sauer reviewed the 2 options outlined for the Board in their electronic agenda packets regarding the replacement of the entire EMS/Non-Emergency Transport fleet over a period of years.

After some discussion, the Board agreed that Option 1 would be most desirable for the County and provide financing for four (4) replacement ambulances.

The loans that would be used from USDA Rural Development would apply 2.75% interest rate for 15 years, with the first payment being delayed until 12 months (1 year) after the loan closure. Items will be funded via debt service.

Vice Chairman Bazemore made the **MOTION** to proceed forward with Option 1 with the understand that a loan in the amount of \$788,000 can be received from the USDA at a 2.75% interest rate with an age of 15 years, and with payments not beginning until 12 months (1 year) after the loan closure. Commissioner Wesson **SECONDED** the motion. The **MOTION PASSED** unanimously.

CAMA Grant Application—To receive public comment on the Albemarle Sound Public Waterfront Access and beach path improvements, including the acquisition of land (10.35-acre tract) adjoining the 137-acre tract recently acquired by the County. Ms. Emily Miller of McAdams and Associates has prepared a grant application in the amount of \$250,000 with a 10% (\$25,000) local match requirement.

Chairman Trent called for discussion on item A-4, and he asked the County Manager to bring the Board up to date on the CAMA grant.

County Manager Sauer explained that the primary purpose of tonight's meeting is to provide an opportunity for public comment on the CAMA grant application for the Albemarle Sound Public Waterfront Access and beach path improvements, including the acquisition of land (10.35 acres).

Mr. Sauer reminded the Board that a similar grant application was approved by the Board in May for the North Carolina Parks and Recreation Trust Fund for financial assistance with the 137 acres recently acquired by the County. He also noted that the public support demonstrated for this project was evident by the local school officials who gave a presentation about the "Sound to the Sea" program for elementary students, which could be offered in Bertie County as a result of the Board's decision to buy this property.

County Manager Sauer explained that both PARTF (\$500,000) and CAMA (\$250,000) pre-applications were submitted and approved for land acquisition funds for the 137-acre tract, and that both grants are only eligible for funding prior to the purchase of the property.

Mr. Sauer noted that Bertie County requested and was approved for a waiver of this requirement for the PARTF grant on January 25, 2016 and this waiver states "this action merely acknowledges the need to act quickly to take advantage of the opportunity to acquire the land and prevent the possibility of it being lost or used for another purpose."

The waiver is for a period of 18 months, and the PARTF announcement for a grant fund should be received following the committee's August 25th meeting.

Mr. Sauer explained that timing for submission of the CAMA application was initially in sync with the anticipated closing on the 137-acre tract which was expected in late September.

However, when the opportunity was presented to renegotiate the contract and accelerate the closing for this purchase in late June, adjustments had to be made to the CAMA application.

Mr. Sauer explained that CAMA has no waiver provision, so the County inquired about the availability of grant funds to be applied for the potential purchase of the 10.35-acre tract adjoining the 137 acres now owned by the County to improve the beach path access. Bertie County received this approval to amend its application on July 6th.

He further explained that the CAMA grant is due August 15th, and can only be submitted following a meeting where the Board of Commissioners has documented the opportunity for public comment at regularly scheduled meeting—but it is not a formal public hearing.

The Chairman asked if there were any persons desiring to speak regarding this grant project, and there was no response from the audience at that time.

County Manager Sauer explained that there is one final component for the application, which must be obtained before the application can be submitted on August 15th.

The CAMA application for the land acquisition funding must include a letter of intent to sell the 10.35-acre tract from the property owner.

The County Manager further explained that the strategy for the CAMA application is to seek grant funds, using the three appraisals (values ranging from \$75,000 to \$200,000), so that at the appropriate time, with Board approval—another presentation could be made to the owners of the 10.35-acre tract regarding the inclusion of this land for the project, which now comprises one-half of the beach path access, and is split down the middle between the two properties.

Mr. Sauer had two color photos projected on the wall, one depicting the property boundary and one with a view looking down the beach path toward the water with the Sound bridge in the background. He explained that acquiring this smaller tract is critical to development of the site because it contains one-half of the beach access path.

There was discussion among the Commissioners regarding the ability to successfully purchase the 10.35-acre tract, and the limited availability of grant funds for this effort. Mr. Sauer also noted that CAMA will likely not provide grant funding beyond the highest appraisal, or \$200,000.

County Manager Sauer requested permission to address the governing body in his role as a private citizen in order to comment on this grant application and the importance of this project.

Mr. Sauer reminded the Board of the enthusiasm that was generated when the Commissioners announced their decision to purchase the initial 137 acres of land on the Albemarle Sound. He spoke of this historic step to break down barriers in order to provide public access to these recreational waters. He noted that the Board's efforts are creating a legacy for future generations and building for a better future for our children and grandchildren.

Specifically, Mr. Sauer noted that there are barriers for persons of limited resources, and people of color for access to public waters for recreation in this County. And he noted two recent examples where children attending a birthday party were turned away from a local community beach, and where a local business owner made very disparaging remarks about efforts to provide public access to water without regard to race.

Mr. Sauer explained that with the ten days remaining for submission of the CAMA grant, there may be an opportunity to approach the property owner requesting a letter of intent to sell the land

to the County. He stated that hopefully, the property owners will share the enthusiasm and join with the County to create a long lasting legacy for Bertie County residents and this region.

Chairman Trent noted that the county manager's recommendation is to approve authorization for submittal of the grant application to the NC Coastal Management Program, subject to the securing of a letter of intent from the sellers—for Bertie County's Public Beach and Public Water Access program final application. Furthermore, the Board of Commissioners is authorizing its agent to seek the purchase of 10.35 acres to expand the beach path access for the adjoining 137 acres recently acquired by the County. Approval of this motion also allows the Chairman and the County Manager to execute all related documents to complete this grant application which is due August 15th, subject to the final condition being obtained prior to submission.

Commissioner White made a **MOTION** to accept the County Manager's recommendation. Vice Chairman Bazemore **SECONDED** the motion. The **MOTION PASSED** unanimously.

Proposal for Comprehensive Countywide Recreation Master Plan for Bertie County to include in NC Parks and Recreation Trust Fund 2017 grant application for site development at the Albemarle Sound Waterfront Recreation Area—Presented by Paige Viren, Associate Professor of Recreation & Leisure Studies at East Carolina University and J. David Hodges, Good Consulting Services, LLC.

Chairman Trent then asked Mr. Sauer to introduce the guests from East Carolina University regarding the proposal for development of the Comprehensive Countywide Recreation Master Plan for Bertie County's preparation for the next cycle of NC Parks and Recreation Trust Fund grant applications.

Mr. Sauer introduced Mr. David Hodges, who has assisted communities assisted communities in northeastern North Carolina during a 35-year career, with extensive work in Martin County and the Town of Windsor.

Mr. Hodges spent his career with the USDA Natural Resources Conservation Service as the District Conservationist for Dare and Tyrrell counties and the Mideast Resources Development Council.

He also introduced Assistant Professor Paige Viren who has also assisted various communities in North Carolina with attracting economic development initiatives. This work has earned her the 2016 ECU Scholarship of Engagement Award. Viren's scholarship focus is on the development of sustainable community-based tourism.

Mr. Hodges and Dr. Viren explained that, it has been their observation that in many cases a comprehensive recreation master plan is requested simply as a means of checking a task off of a PARTF grant application. Instead of guiding priorities, the plan sits on a shelf collecting dust.

She stated that their goal is to develop a plan that provides a framework to identify goals and priorities for all areas of Bertie County. They have also been partnering on projects in eastern North Carolina since 2008 and building relationships with key stakeholders in building sustainable community based recreation and tourism in rural communities.

Dr. Viren summarized their presentation by noting that they believe that Bertie County's efforts in securing this land on the Albemarle Sound will set the "gold standard" for park development in eastern North Carolina. Commissioner Wesson noted that there may be a role for young people in the high school's cadet program to play a role in this facility once it is open to the public.

County Manager Sauer explained that they are prepared to start work immediately, to assemble a local task force and to take advantage of the fall semester to lead Bertie County through a series of public meetings and community discussions in order to identify the recreational needs of the entire County as suggested by County residents. And he noted that a copy of their proposal is enclosed which is recommended for the Boards approval.

Vice Chairman Bazemore made a **MOTION** to approve the proposal for the countywide recreation master plan by ECU. Commissioner Wesson **SECONED** the motion. The **MOTION PASSED** unanimously.

The proposal is below:

CONSENT AGENDA

Upon review by Chairman Trent, Vice Chairman Bazemore made a **MOTION** to approve the Consent Agenda items below. Commissioner Lee **SECONDED** the motion. The **MOTION PASSED** unanimously.

The Consent Agenda was approved as follows:

1. **Minutes** – Regular Session 7-5-16, Work Session 7-14-16, Closed Session 7-14-16
2. **Fees Report** – Register of Deeds – July 2016
3. **Release Journal** – Tax Department – June 2016
4. **Resolution** – 145th anniversary of Sandy Branch Missionary Baptist Church

DISCUSSION AGENDA

Water District III USDA Rural Development – review and approve NC Local Government Commission application and the Bond Order Resolution and related documents prepared by Bond Counsel in consultation with the County Attorney.

Consider for approval the following items:

- a) Revised project cost and funding analysis**
- b) Supplement to the Preliminary Engineering report**
- c) Amended engineering agreement**
- d) Final capital budget for submission to the LGC**
- e) Bond Resolution**

The Board reviewed the NC Local Government Commission application and the Bond Order Resolution, and related documents, prepared by Bond Counsel in consultation with the County Attorney. The Board also discussed approval of the revised scope of work, and an engineering contract amendment for additional booster pump stations, and other related costs on Woodard Road.

County Manager Sauer reported that USDA Rural Development (Raleigh Office) is coordinating its review of the final project financing presentation to the NC Local Government Commission with special attention to preserving the \$1,074,000 grant funding.

Mr. Sauer also stated that the USDA requires that local funds are expended first as the project begins (design, permits, etc.) and that figure is \$264,000. The interim financing (Bond Anticipation Notes) carry the bulk of the project during construction and the loan amount is \$1,717,000. Both of those figures will remain unchanged. Once the loan funds are expended, USDA then allows for the expenditure of grant dollars.

As the Board remembered, the low bid was \$370,957 less than the next highest bidder.

Mr. Sauer reported that USDA had advised the County to revise its scope of work or the County risks losing these grant dollars from the original \$1,074,000 which would be sacrificed and sent back to the federal government.

The State Engineer for USDA has encouraged the County to improve the connection and flow of water between District III and District III to address the challenge of meeting long term water quality requirements for AVOCA's production expansion. Two key changes are proposed: a) increasing the water line size from 6" to 8" on Woodard Road (\$70,590) and b) construction of a 250 gpm booster station (\$320,000) plus soft costs for engineering of \$76,000 which is split \$30,000 for design and \$46,000 for construction inspection.

County Manager Sauer noted that the State Engineer's review will occur next week and the Board's approval will be contingent upon USDA Rural Development's concurrence, therefore I am recommending that the Board grant approval for these documents as presented today, and

allow necessary modifications based on the State Engineer's comments, as long as no additional funds are required.

After a brief discussion, Commissioner Lee made a **MOTION** approve all of the listed items as requested:

- 1) Resolution providing for application to the Local Government Commission for approval of water system revenue bonds: requesting Local Government Commission Approval of such water system revenue bonds; and certain related matters and findings—documents attached are prepared by bond counsel.
- 2) Revised project cost and funding analysis for Bertie County Water District III
- 3) Supplement to the Preliminary Engineering Report
- 4) Amended Engineering agreement (subject to USDA concurrence)
- 5) Final Capital Budget for Water District III water system improvements
- 6) Direct staff to proceed with preparation of all documents necessary to facilitate the Board Order for consideration at a later date by the governing body.

. Commissioner Wesson **SECONDED** the motion. The **MOTION PASSED** unanimously.

Review of pending items

There were no needed items to address at this time.

Confirmation of Board meeting schedule for August and September

After a brief discussion, the Board agreed to postpone their regularly scheduled meeting for Monday, August 15 to Monday, August 22nd. The meeting will still be held at 7:00PM at the Aulander Community Building in the Town of Aulander.

No schedule changes were made to the September meeting schedule.

COMMISSIONER'S REPORTS

Commissioner White passed out a copy of an article from The News & Observer about the new archeological efforts at the Lost Colony site in Bertie County. He also alerted the Board to an article in FYI magazine about the “tall glass of water” project. Lastly, he thanked the Board for its recent decision to increase funding to the 12 County volunteer fire departments.

Commissioner Lee reported that the organization, Habitat for Humanity, was back to square one in locating an eligible family to receive a Habitat for Humanity home. Commissioner Lee encouraged citizens to contact her if they knew of any families in serious need. She also briefly updated the Board regarding the Charters of Freedom monument. A committee is now in place, but new members are welcome.

Commissioner Wesson provided new labor market information for Bertie County, and reported that Bertie County’s unemployment rate was 6.2%. He also thanked Vidant-Bertie Hospital for the \$1 million grant received to assist County organizations with health related initiatives.

Vice Chairman Bazemore announced that Dr. Dexter Peele was currently accepting donations to a scholarship program through Edgecombe Community College. This scholarship assisted him during his college career. She also noted the recent announcement of the CSX rail project in Edgecombe County and possible job opportunities for Bertie residents.

Chairman Trent reported that the Youth Development Award was presented to Kent Bazemore at the Bertie High School earlier today. The award was given in appreciation for his continued support for the basketball camp and other programs to assist our youth.

COUNTY MANAGER’S REPORTS

County Manager Sauer gave no remarks at this time.

COUNTY ATTORNEY’S REPORTS

County Attorney, Lloyd Smith, requested direction from the Board regarding a drafted correspondence to the community. The Board discussed and later decided that the letter would not be sent at this time, but that it could be sent at a later date, if needed.

PUBLIC COMMENTS

There were no public comments during this section.

RECESS

Chairman Trent recessed the meeting until 6:00PM where the Board plans to meet at the Inn at Grey's Landing in Windsor to discuss the results of the hotel feasibility study.

CALL TO ORDER

Chairman Trent called the meeting to order and thanked those present for their attendance.

INVOCATION/PLEDGE OF ALLEGIANCE

Commissioner Lee led the Invocation and Pledge of Allegiance.

Chairman Trent made one small change to today’s agenda and called forward members of the ABC Board including Chair Miles Davis, and member James S. Pugh. Clint Freeman, General Manager of the ABC Store in Windsor, was also present.

DISCUSSION

Discussion of a proposed voter referendum for allowing mixed beverages and the calling of an ABC election in November, 2016

ABC Board Chair, Miles Davis, presented various statistics to the Board that he had received from various State Highway Patrolman in the area. Most statistics have shown that alcohol related fatalities are significantly lower in counties with “liquor by the drink” laws in place.

Mr. Davis also noted that these mandates can significantly reduce the occurrence of illegal “shot houses” in the County as it provides for strict regulation from the State Alcoholic Law Enforcement Agency. He stated that State agents have the right to investigate suspected facilities at any time.

Additionally, Mr. Davis recalled that the last time this initiative was placed on the ballot, it failed by the smallest margin of 13 votes during a special, non-presidential election.

It was Mr. Davis’s recommendation to put this referendum on the November 2016 ballot so that it has the best chance of being seen by the majority of voters. He stated that presidential elections garner much more voter attention and participation, and that this vote could be the “tell all” vote needed to put the issue to rest. It could also be the best opportunity for the Board to see where the voters fall on this issue.

There was a brief discussion regarding the need for this referendum, as well as who would benefit with very few restaurants in the County that fall outside of a municipality. The Board also discussed that if this issue were to go to the ballot via referendum that the County would have to be committed to communicating the positive benefits that have been experienced in other counties.

The Board also discussed the potential economic development impacts.

James S. Pugh also chose to speak on the matter, and stated that he supported Mile Davis’s leadership, and encouraged the Board to strongly consider the referendum during the upcoming November election.

Clint Freeman, General Manager of the ABC Store in Windsor, was also present to echo the same sentiments, as well as added that the ABC Store constantly receives one day, limited alcohol licenses for private events such as parties, receptions, reunions, and other functions. He mentioned that the sale of mixed beverages is prohibited at private events inside Bertie County, and that this vote could give the County the opportunity to “get ahead of the curve,” while also reducing alcohol related fatalities at some of these private events where there is limited security.

Vice Chairman Bazemore made a **MOTION** to allow this issue be placed on the November 2016 ballot via referendum. Commissioner Wesson **SECONDED** the motion. The **MOTION PASSED** in a 3-2 vote with Commissioner's Lee and White voting against. Commissioner Lee and Commissioner White both echoed similar sentiments regarding their personal beliefs of opposing the issue.

Commissioner Wesson wanted the record to reflect that his support of the referendum doesn't necessarily mean he will vote in favor of a "liquor by the drink" law in the County, but that he felt the citizens should be given the opportunity to voice their opinions.

The Board concurred that the issue should be left in the hands of the citizens for an additional vote during an election that will bring forth the most voters.

Commissioner White wanted the record to reflect that he had received calls from citizens that have asked him to not support this referendum, and that even though this particular topic was against his beliefs, he wanted the citizens to have the chance to decide.

After some additional discussion, Commissioner Wesson made a **MOTION** to instruct the County Attorney to prepare a resolution for the Chairman's signature, and to draft all necessary correspondence. Vice Chairman Bazemore **SECONDED** the motion. The **MOTION PASSED** in a 4-1 vote with Commissioner Lee voting against.

The approved resolution reads as follows:

RESOLUTION REQUESTING A MIXED BEVERAGE ELECTION

Whereas:

- A. Bertie County is one of the one hundred counties of North Carolina;
- B. Bertie County is a county which already operates at least one county ABC store;
- C. Bertie County may hold a mixed beverage election as it already operates at least one county ABC store pursuant to N.C.G.S. §18B-600 *et seq.*;
- D. Bertie County last held a mixed beverage election on Tuesday, November 3, 2009, when the question was defeated but the certification of said vote was more than three years before the date of this Resolution and the proposed new election date. Therefore, this election is authorized by N.C.G.S. § 18B-604(a).
- E. For Bertie County to hold a mixed beverage election a written request must be sent to Bertie County Board of Elections;
- F. Without the Bertie County Board of Commissioners endorsing or opposing said issue, the citizens of Bertie County should be allowed to vote on said issue;

Now, therefore, be it resolved that:

- 1. Bertie County desires to hold a mixed beverage election at the Tuesday, November 8, 2016, general elections throughout the County.

2. A copy of this Resolution is to be served upon the Bertie County Board of Elections.

3. Lloyd C. Smith, Jr., of Pritchett & Burch, PLLC, as County Attorney, is to send a written request on behalf of the Bertie County Board of Commissioners to the Bertie County Board of Elections.

4. The Bertie County Board of Elections is authorized and requested to place for referendum on the ballot, for consideration of the citizens of Bertie County on the Tuesday, November 8, 2016, the following language as set forth in N.C.G.S. §18B-602(h), to-wit:

To permit the sale of mixed beverages in hotels, restaurants, private clubs, community theatres, and convention centers.

FOR

AGAINST

The foregoing Resolution was introduced by Vice-Chairman, Commissioner Ernestine Byrd Bazemore, and seconded by Commissioner Ronald Wesson adopted by a vote of 3-2 with Commissioner Tammy Lee and Commissioner Stewart White providing the dissenting votes.

This the 9th day of August, 2016.

Update on capital project financing applications for various water department system improvements currently under review by the NC Local Government Commission

County Manager Sauer reported that notification had been received from the State Engineer that the financing applications for various water department system improvements for Water District III had been approved, and that the application was now in the hands of the NC Local Government Commission (NC LGC).

The NC LGC will be reviewing the application at an upcoming Executive Committee meeting on September 6th, and final authorization occurs within six days, in the event that the application meets their requirements.

Additionally, Mr. Sauer reported that he had received word from the NC Drinking Water State Revolving Fund that the loan applications for Water Districts II and IV have been approved.

He also distributed a hand out highlighting the proposed locations of booster pump station sites in Water District III, and that the County's engineer, Green Engineering, were pushing forward on determining the most appropriate location.

Commissioner Wesson inquired about the latest developments with the South Windsor area.

Mr. Sauer informed the Board that the renovations for South Windsor should begin this November, and continue through next November, 2017.

Update on the USDA Rural Development financing proposal for replacing several ambulances

Emergency Services Director, Mitch Cooper, and EMS Division Chief, Crystal Freeman, were present during this portion.

County Manager Sauer reported that as of midnight Monday night, Bertie County Non-Emergency Transport had completed a total of 82 transports, which presents a record number of transports so early into the month of August.

He stated that the NET Division was growing at an expeditious rate, and that additional ambulances and equipment are desperately needed to meet the demand.

Mr. Cooper briefly discussed some of the reasons for the influx including the closure of one Non-Emergency Transport company, Priority Medical, as well as the addition of several dialysis patients, nursing homes, and consistent hospital transfers.

Mr. Cooper also mentioned that four (4) ambulances are currently assigned to that division, but that even their spare truck is being used when the call volume is particularly high. He mentioned that is becoming more and more common for all 4-5 trucks being on the roads all day, every day.

Mr. Sauer also announced that the NET Division is projected to receive and complete a total of 300 transfers this month alone which has not yet been seen under the County system. He also noted that this growth makes the work of Kim Miller at USDA Rural Development even more crucial as the age and wear and tear on the NET and EMS vehicles are beginning to take a toll on the ability to respond.

The Board had a brief discussion regarding what funding is currently available in Mr. Cooper's budget to cover the cost of additional ambulance vehicles and equipment for Non-Emergency Transport.

Mr. Cooper responded that he had enough funds in his budget now to cover 2 more ambulance vehicles and the needed equipment, and he stated that he'd like to push forward with the purchasing process for Non-Emergency Transport.

The Board also discussed the impacts of the recent withdrawal of non-emergency franchise companies in Washington County, and whether or not the County had taken business from the recently closed Priority Medical.

Commissioner Wesson expressed concerns with maintaining the needed "man power" here in Bertie especially with Beaufort County looking to follow Bertie's model for a County operated, Paramedic EMS system.

County Manager Sauer stated that paperwork and other details could be gathered for the Board to review at any upcoming meeting before any final decisions were needed.

Update on the latest CAMA grant application for land acquisition funding

County Manager briefly updated the Board on the letter of intent needed from the property owner regarding the 10.35 acre-tract of land being sought for expanding the walking path to the water front beach access.

He stated that the County Attorney, Lloyd Smith, was currently awaiting a response from the property owner, and that he had laid out the Board's intentions for the grant funding.

Mr. Sauer stated that he wasn't sure if the final decision would be received in time, but that he was hopeful.

OTHER REPORTS

County Manager Sauer reminded the Board of the date he was given for the "Raising Bertie" film viewing at the new Bertie High School. The date of the event is Wednesday, August 24th at 10:00AM inside the auditorium. He expected an invitation for the Commissioners to attend to arrive any day.

Commissioner Lee reported that a Habitat for Humanity meeting will take place on Wednesday, August 17 at 2:00PM. Information would be presented at that meeting regarding Habitat, as well as 2 additional programs that could benefit citizens of the County. That meeting will be held inside the Glass Conference Room at the County Office Building. She also announced that the United Methodist Church in Colerain has agreed to house a permanent food bank for that area, but that volunteers were needed.

The Board concurred that the mobile food pantry should be secured in Bertie County by all means necessary especially in towns that could provide permanent residence for a food bank.

Commissioner Wesson informed the Board of a new partnership between NCDOT and the high schools of Bertie County to provide routine clean-up of various areas throughout the County. The program would consist of members of each football team volunteering to pick up trash along the roadways in their own local areas. The Board was asked to support the initiative but no funding was required by the County.

Vice Chairman Bazemore reminded the Board that the time of year was approaching to provide a performance evaluation for County Manager Sauer.

ADJOURN

Chairman Trent adjourned the meeting at 2:20PM.

MEMORANDUM TO BOARD OF COMMISSIONERS:

FROM: Jodie Rhea, Tax Administrator
DATE: August 22, 2016
SUBJECT: Settlement Reports for 2015-2016

REQUEST:

Request that the Board of Commissioners accept the preliminary settlement reports as required by North Carolina General Statute 105-373 (a)(1) and that the insolvents report be entered into the official minutes indicating persons who listed personal property but owned no real property and whose taxes remain unpaid for 2015-2016. Also request that both lists be recharged to the Tax Administrator for collections as delinquent taxes. Request the Board of Commissioners receive and accept 2015-2016 settlement report for real, personal and motor vehicle taxes.

BACKGROUND:

North Carolina General Statute 105-373 requires the Tax Collector (Tax Administrator) to provide a settlement report to the Board of Commissioners after July 1 and prior to being charged with the collections of the current year's taxes.

IMPLEMENTATION PLAN:

Jodie Rhea, Tax Administrator, will provide the report as required, and upon being recharged will proceed with the collections of all delinquent real and personal property taxes.

FINANCIAL IMPACT STATEMENT:

2015 unpaid real property:	\$270,061.81
2015 unpaid personal property:	\$165,806.60

The 2015 unpaid personal property list is considered the insolvents report.

RECOMMENDATION SUMMARY:

Motion to accept the preliminary reports as required by North Carolina General Statute 105-373 and to enter the insolvents list into the official minutes of the Board of Commissioners, to accept the settlement report of current and delinquent real and personal property taxes for 2015-2016, and by resolution recharge Jodie Rhea, Tax Administrator, with the collections of the delinquent real and personal property taxes.

§ 105-373. Settlements.

(a) Annual Settlement of Tax Collector. –

(1) Preliminary Report. – After July 1 and before he is charged with taxes for the current fiscal year, the tax collector shall make a sworn report to the governing body of the taxing unit showing:

- a. A list of the persons owning real property whose taxes for the preceding fiscal year remain unpaid and the principal amount owed by each person; and
- b. A list of the persons not owning real property whose personal property taxes for the preceding fiscal year remain unpaid and the principal amount owed by each person. (To this list the tax collector shall append his statement under oath that he has made diligent efforts to collect the taxes due from the persons listed out of their personal property and by other means available to him for collection, and he shall report such other information concerning these taxpayers as may be of interest to or required by the governing body, including a report of his efforts to make collection outside the taxing unit under the provisions of G.S. 105-364.) The governing body of the taxing unit may publish this list in any newspaper in the taxing unit. The cost of publishing this list shall be paid by the taxing unit.

(2) Insolvents. – Upon receiving the report required by subdivision (a)(1), above the governing body of the taxing unit shall enter upon its minutes the names of persons owing taxes (but who listed no real property) whom it finds to be insolvent, and it shall by resolution designate the list entered in its minutes as the insolvent list to be credited to the tax collector in his settlement.

(3) Settlement for Current Taxes. – After July 1 and before he is charged with taxes for the current fiscal year, the tax collector shall make full settlement with the governing body of the taxing unit for all taxes in his hands for collection for the preceding fiscal year.

a. In the settlement the tax collector shall be charged with:

1. The total amount of all taxes in his hands for collection for the year, including amounts originally charged to him and all amounts subsequently charged on account of discoveries;
2. All penalties, interest, and costs collected by him in connection with taxes for the current year; and
3. All other sums collected by him.

b. The tax collector shall be credited with:

1. All sums representing taxes for the year deposited by him to the credit of the taxing unit or receipted for by a proper official of the unit;
2. Releases duly allowed by the governing body;
3. The principal amount of taxes constituting liens on real property;
4. The principal amount of taxes included in the insolvent list determined in accordance with subdivision (a)(2), above;
5. Discounts allowed by law;
6. Commissions (if any) lawfully payable to the tax collector as compensation; and

7. The principal amount of taxes for any assessment appealed to the Property Tax Commission when the appeal has not been finally adjudicated.

The tax collector shall be liable on his bond for both honesty and faithful performance of duty; for any deficiencies; and, in addition, for all criminal penalties provided by law.

The settlement, together with the action of the governing body with respect thereto, shall be entered in full upon the minutes of the governing body.

- (4) Disposition of Tax Receipts after Settlement. – Uncollected taxes allowed as credits in the settlement prescribed in subdivision (a)(3), above, whether represented by tax liens held by the taxing unit or included in the list of insolvents, shall, for purposes of collection, be recharged to the tax collector or charged to some other person designated by the governing body of the taxing unit under statutory authority. The person charged with uncollected taxes shall:
 - a. Give bond satisfactory to the governing body;
 - b. Receive the tax receipts and tax records representing the uncollected taxes;
 - c. Have and exercise all powers and duties conferred or imposed by law upon tax collectors; and
 - d. Receive compensation as determined by the governing body.

(b) Settlements for Delinquent Taxes. – Annually, at the time prescribed for the settlement provided in subdivision (a)(3), above, all persons having in their hands for collection any taxes for years prior to the year involved in the settlement shall settle with the governing body of the taxing unit for collections made on each such year's taxes. The settlement for the taxes for prior years shall be made in whatever form is satisfactory to the chief accounting officer and the governing body of the taxing unit, and it shall be entered in full upon the minutes of the governing body.

(c) Settlement at End of Term. – Whenever any tax collector fails to succeed himself at the end of his term of office, he shall, on the last business day of his term, make full and complete settlement for all taxes (current or delinquent) in his hands and deliver the tax records, tax receipts, tax sale certificates, and accounts to his successor in office. The settlement shall be made in whatever form is satisfactory to the chief accounting officer and the governing body of the taxing unit, and it shall be entered in full upon the minutes of the governing body.

(d) Settlement upon Vacancy during Term. – When a tax collector voluntarily resigns, he shall, upon his last day in office, make full settlement (in the manner provided in subsection (c), above) for all taxes in his hands for collection. In default of such a settlement, or in case of a vacancy occurring during a term for any reason, it shall be the duty of the chief accounting officer or, in the discretion of the governing body, of some other qualified person appointed by it immediately to prepare and submit to the governing body a report in the nature of a settlement made on behalf of the former tax collector. The report, together with the governing body's action with respect thereto, shall be entered in full upon the minutes of the governing body. Whenever a settlement must be made in behalf of a former tax collector, as provided in this subsection (d), the governing body may deliver the tax receipts, tax records, and tax sale certificates to a successor collector immediately upon the occurrence of the vacancy, or it may make whatever temporary arrangements for the collection of taxes as may be expedient, but in

no event shall any person be permitted to collect taxes until he has given bond satisfactory to the governing body.

(e) Effect of Approval of Settlement. – Approval of any settlement by the governing body does not relieve the tax collector or his bondsmen of liability for any shortage actually existing at the time of the settlement and thereafter discovered; nor does it relieve the collector of any criminal liability.

(f) Penalties. – In addition to any other civil or criminal penalties provided by law, any member of a governing body of a taxing unit, tax collector, or chief accounting officer who fails to perform any duty imposed upon him by this section shall be guilty of a Class 1 misdemeanor.

(g) Relief from Collecting Insolvents. – The governing body of any taxing unit may, in its discretion, relieve the tax collector of the charge of taxes owed by persons on the insolvent list that are five or more years past due when it appears to the governing body that such taxes are uncollectible.

(h) Relief from Collecting Taxes on Classified Motor Vehicles. The board of county commissioners may, in its discretion, relieve the tax collector of the charge of taxes on classified motor vehicles listed pursuant to G.S. 105-330.3(a)(1) that are one year or more past due when it appears to the board that the taxes are uncollectible. This relief, when granted, shall include municipal and special district taxes charged to the collector. REPORT OF DELINQUENT PERSONAL PROPERTY TAXES

TO: Bertie County Board of Commissioners

The undersigned Tax Collector respectfully reports that certain personal property taxes levied for the year 2015, remain uncollected, such uncollected taxes are being set out below. Said taxes are not liens on real estate. The undersigned Tax Collector has made diligent efforts to collect said taxes by use of remedies against personal property as provided by law but as been unable to locate sufficient property belonging to the delinquent taxpayers our of which the taxes might be collected. In every instance in which the Tax Collector has been able to discover through diligent inquire the existence of property belonging to delinquent taxpayers with other taxing units in North Carolina, the undersigned has proceeded under the provisions of G. S. 105-364.

Per Attached Printout: \$165,806.60

The undersigned requests that the above-listed taxes be recharged as delinquent taxes upon annual settlement.

INSOLVENT TAX RESOLUTION

WHEREAS, Bertie County Tax Administrator has provided in his annual settlement preliminary reports containing the list of the names of persons owning real property whose taxes for 2015 remain unpaid and a list of persons owing taxes but listed no real property whose taxes remain unpaid; and

WHEREAS, North Carolina General Statute 105-373(a)(2) states that the governing body of the taxing unit shall enter upon its minutes the names of persons owing taxes but listed no real property whose taxes remain unpaid and whom it finds to be insolvent; and

WHEREAS, a diligent effort has been made to collect these taxes out of the personal property of the taxpayers concerned; and

WHEREAS, other means open to the collector have been used for collection of such taxes; and

WHEREAS, where applicable, collection outside the taxing unit has been attempted; and

WHEREAS, all information has been provided concerning those taxpayers as may be of interest to or required by the governing body; and

WHEREAS, the allowance of insolvents does not extinguish the claim for taxes; and

WHEREAS, the collector will continue to pursue collections of such taxes until the ten-year statute of limitations expires; and

WHEREAS, the Board of Commissioners by resolution should accept the lists as presented and declares that no one on the preliminary report of persons owing taxes but listed no real property should be determined insolvent; and

NOW, THEREFORE, BE IT RESOLVED, that the list of persons owing taxes but listed no real property whose taxes remain unpaid along with the list of unpaid 2015 real property taxes be recharged to the Tax Administrator for collections as delinquent taxes.

MEMORANDUM TO BOARD OF COMMISSIONERS

FROM: Jodie Rhea, Tax Administrator

DATE: August 22, 2016

SUBJECT: Charge of 2016-2017 Tax Levy

REQUEST:

In accordance with North Carolina General Statute 105-321(b), charge the Tax Administrator with the collection of taxes for the tax levy 2016-2017

BACKGROUND:

North Carolina General Statute 105-321(b) states that the Board of Commissioners shall adopt and enter into its minutes an order directing the Tax Collector (Tax Administrator) to collect the taxes charged in the tax records and receipts for the current fiscal year.

RECOMMENDATION SUMMARY:

Motion to charge Jodie Rhea, Tax Administrator, with the collections of all real, personal, and public service company taxes for the 2016-2017 levy year, and with the collections of all delinquent real, personal, public service company, and motor vehicle taxes.

SUPPORTING ATTACHMENTS:

North Carolina General Statute 105-321
Authorization to Collect

§ 105-321. Disposition of tax records and receipts; order of collection.

(a) County tax records shall be filed in the office of the assessor unless the board of county commissioners shall require them to be filed in some other public office of the county. City and town tax records shall be filed in some public office of the municipality designated by the governing body of the city or town. In the discretion of the governing body, a duplicate copy of the tax records may be delivered to the tax collector at the time he is charged with the collection of taxes.

(b) Before delivering the tax receipts to the tax collector in any year, the board of county commissioners or municipal governing body shall adopt and enter in its minutes an order directing the tax collector to collect the taxes charged in the tax records and receipts. A copy of this order shall be delivered to the tax collector at the time the tax receipts are delivered to him, but the failure to do so shall not affect the tax collector's rights and duties to employ the means of collecting taxes provided by this Subchapter. The order of collection shall have the force and effect of a judgment and execution against the taxpayers' real and personal property and shall be drawn in substantially the following form:

State of North Carolina

County (or City or Town) of _____

To the Tax Collector of the County (or City or Town) of _____

_____:

You are hereby authorized, empowered, and commanded to collect the taxes set forth in the tax records filed in the office of _____ and in the tax receipts herewith delivered to you, in the amounts and from the taxpayers likewise therein set forth. Such taxes are hereby declared to be a first lien upon all real property of the respective taxpayers in the County (or City or Town) of _____, and this order shall be a full and sufficient authority to direct, require, and enable you to levy on and sell any real or personal property of such taxpayers, for and on account thereof, in accordance with law.

Witness my hand and official seal, this ____ day of _____, _____ (Seal)

Chairman, Board of Commissioners of
_____ County

(Mayor, City (or Town) of _____)

Attest:

Clerk of Board of Commissioners of _____ County

(Clerk of the City (or Town) of _____)

(c) The original tax receipts, together with any duplicate copies that may have been prepared, shall be delivered to the tax collector by the governing body on or before the first day of September each year if the tax collector has made settlement as required by G.S. 105-352. The tax collector shall give his receipt for the tax receipts and duplicates delivered to him for collection.

(d) Repealed by Session Laws 2006-30, s. 5, effective June 29, 2006.

(e) The governing body of a taxing unit may contract with a bank or other financial institution for receipt of payment of taxes payable at par and of delinquent taxes and interest for the current tax year. A financial institution may not issue a receipt for any tax payments received by it, however. Discount for early payment of taxes shall be allowed by a financial institution that contracts with a taxing unit pursuant to this subsection to the same extent as allowed by the

tax collector. A financial institution that contracts with a taxing unit for receipt of payment of taxes shall furnish a bond to the taxing unit conditioned upon faithful performance of the contract in a form and amount satisfactory to the governing body of the taxing unit. A governing body of a taxing unit that contracts with a financial institution pursuant to this subsection shall publish a timely notice of the institution at which taxpayers may pay their taxes in a newspaper having circulation within the taxing unit. No notice is required, however, if the financial institution receives payments only through the mail.

(f) Minimal Taxes. - Notwithstanding the provisions of G.S. 105-380, the governing body of a taxing unit that collects its own taxes may, by resolution, direct its assessor and tax collector not to collect minimal taxes charged on the tax records and receipts. Minimal taxes are the combined taxes and fees of the taxing unit and any other units for which it collects taxes, due on a tax receipt prepared pursuant to G.S. 105-320 in a total original principal amount that does not exceed an amount, up to five dollars (\$5.00), set by the governing body. The amount set by the governing body should be the estimated cost to the taxing unit of billing the taxpayer for the amounts due on a tax receipt or tax notice. Upon adoption of a resolution pursuant to this subsection, the tax collector shall not bill the taxpayer for, or otherwise collect, minimal taxes but shall keep a record of all minimal taxes by receipt number and amount and shall make a report of the amount of these taxes to the governing body at the time of the settlement. These minimal taxes shall not be a lien on the taxpayer's real property and shall not be collectible under Article 26 of this Subchapter. A resolution adopted pursuant to this subsection must be adopted on or before June 15 preceding the first taxable year to which it applies and remains in effect until amended or repealed by resolution of the taxing unit. A resolution adopted pursuant to this subsection shall not apply to taxes on registered motor vehicles. Re: Appropriation of remaining Capital Outlay funds from FY 2015-2016

Dear Chairman Trent and Commissioners,

On behalf of the Bertie County Board of Education, our Finance Officer Ms. Pearline Bunch has been coordinating with Mr. William Roberson regarding the closeout of capital projects for the fiscal year ended June 30, 2016.

The schedule for the replacing the roof at Colerain Elementary has extended beyond the end of the fiscal year, and there is a remaining balance of \$97,868.66 allocated for payment to the contractor. Therefore, the Board of Education is respectfully requesting that the County consider a budget amendment and this amount be appropriated, adding to the FY 2016-2017 Capital Outlay budget for the school system.

As your interim Superintendent of Schools, it is very impressive to see the cooperation and support of these two governing bodies. I look forward to discussing this request at your next regular Board meeting.

Sincerely,

Julius Walker
Interim Superintendent

104 Dundee Street
P. O. Box 157
Windsor, North Carolina 27983

Dear Kenny,

Congratulations! The Vidant Bertie Hospital Development Council has approved funding in the amount of **\$7,500** for the Operation AED Program. This grant is for one year of funding through the Community Benefit & Health Initiatives Grants Program.

Grant funds will be distributed on Monday, July 18 at 3:00 p.m. in the Plant Ops Conference Room at the hospital. During the meeting, we will disburse funds and discuss grant management guidelines and expectations that require your attendance for review and signature purposes. If for some reason the above date doesn't work for your schedule, please contact LuAnn Joyner at LuAnn.Joyner@vidanthealth.com or by calling the Marketing Office at 794-6653 or 741-0927 (LuAnn's business cell) to arrange an alternate date to pick-up the check and sign the paperwork.

We request that you be prepared to give a very brief summary of your program to the other grantees in attendance at your session. If yours is a previously funded program, we would also like for you to provide a brief statement of past program accomplishments.

We are pleased to provide support for your project, as we believe it offers much needed services to the community. We look forward to hearing about the successes of your project throughout this grant year. Thank you for taking the initiative to increase the health and wellness of individuals in our community!

Sincerely,

LuAnn W. Joyner

Work Session

The Bertie County Board of Commissioners reconvened from their regularly scheduled meeting on July 5th at the Roanoke-Cashie River Center located at 112 West Water Street in Windsor. The following members were present or absent:

Present: Ronald "Ron" Wesson, District I
Stewart White, District II
Tammy A. Lee, District III
John Trent, District IV
Ernestine (Byrd) Bazemore, District V

Absent: None

Staff Present: County Manager Scott Sauer
Clerk to the Board Sarah S. Tinkham
Assistant County Attorney Lloyd "Clifton" Smith, III.
Finance Officer William Roberson
Economic Development Director Steve Biggs

Leslie Beachboard of the Bertie Ledger-Advance was present from the media.

RECONVENE

Chairman Trent reconvened the meeting from Monday, July 5th. The Board recessed the July 5th meeting in order to reconvene today for a work session.

INVOCATION

Commissioner Wesson led the Invocation.

SPRINGSTED – COMPENSATION AND CLASSIFICATION STUDY

Joel Davis of Springsted, Inc. was present to provide a summary presentation of the results accumulated from the recent County compensation and classification study.

Mr. Davis highlighted various areas for improvement, as well as noted areas where the County is offering average or above average benefits and competitive salaries to employees.

There was some discussion of options, review of benchmarking jurisdictions, and recommendations for the County to consider in upcoming work sessions.

Commissioner Wesson urges the Board to approve the action of creating a Letter of Intent for the NCSECU Foundation for the addition of middle income housing in Bertie County.

The Board concurred and stated that they would prefer to not name a specific location of the proposed housing at this time, but that the cause was important and worthwhile for teachers, State, and local government personal needing a place to live in Bertie.

Vice Chairman Bazemore made a **MOTION** to move forward with the submission of a Letter of Intent to the NCSECU Foundation for middle income housing support. Commissioner Wesson **SECONDED** the motion.

WRAP-UP

Commissioner Lee stated her continued support for a smoke-free policy on County properties.

County Manager Sauer reminded the Board that the transition was almost complete for water bills to no longer be mailed in a post card format. Instead, they will soon be mailed in a bill/envelope format with a return envelope included.

Vice Chairman Bazemore recommended that the Board consider putting a “liquor by the drink” vote to the voters via referendum as it could provide additional revenue to the County.

Stewart White reviewed various figures he received during his meetings with the local fire departments. In addition, he made a **MOTION** to increase each municipalities County contribution by \$10,000. For 12 fire departments, the grand total would be **\$120,000**. Commissioner Lee **SECONDED** the motion. The **MOTION PASSED** in a 3-2 vote with Commissioner Wesson and Vice Chairman Bazemore voting against.

A lengthy discussion ensued.

Commissioner Wesson stated his concerns for getting to the real root of the problem regarding funding for the local fire departments, and stated that he felt municipalities should be held accountable for some of the issues plaguing their respective departments.

Vice Chairman Bazemore presented similar sentiments, as well as presented the idea to provide additional funding only for fire departments outside of municipalities. She requested that the Board to wait on this decision until after new information is presented from Kim Miller at the USDA.

Commissioner White and Commissioner Lee were adamant that the local fire departments cannot afford to wait, and that an additional \$10,000 to assist in keeping the departments afloat is vital until a more permanent solution could be secured.

RE: Submerged Aquatic Vegetation and Water Depth Survey
Bertie County Pin # 6873-67-2795

Dear Mr. Sauer,

Quible & Associates, P.C. (Quible) is pleased to present this proposal for Environmental and In-Water Surveying Services. We have developed a work scope based on information received by you and David Hodges related to a tract of land located at the mouth of the Chowan River, just south of the US 17 Chowan River Bridge (listed on the Bertie County Tax Records as Brown Brothers Enterprises, LLC Pin # 6873-67-2795).

I. Work Scope

Our work scope is intended to be used as a basis for future permitting and design for possible water-dependent structures and/or water access or use improvements. The final product will include a report and base map (aerial overlay) that will be provided in hardcopy and digital format to be able to be shared with State and Federal regulatory agencies and designers as needed. Our work includes waters adjacent to the subject property, extending approximately 600 ft into the Sound.

A. Existing Data Collection and Base Mapping:

An existing conditions basemap map will be developed using available georeferenced aerial photography of the area, soils types, relative elevations (based on available LIDAR data or survey data), published Submerged Aquatic Vegetation (SAV) information (if any has been collected yet), etc. As we progress into field data collection, we will expand off of this basemap to add additional data and proposed improvements.

B. Field Data Collection:

1. Water Depth Survey:
Usings survey grade GPS equipment, current water depths will be collected and plotted. This will include all waters within 600 ft of the subject property, along the entire width of the property (approximately 2,000 lf). Water depths will be collected relative to actual elevations (NAVD 88), but we will convert these elevations to observed normal water level (NWL) as required by NC Division of Coastal Management (NCDQM) in this region. This is a CAMA Major Permit requirement for permitting.
2. Submerged Aquatic Vegetation (SAV) Surveying:

The SAV survey must include examination of the substrate for the presence of SAV growth. Typical methodology for a SAV analysis is to perform the work in the spring to summer seasons, where there is near-peak vegetative growth (June- mid September is best). Permit agencies require SAV analyses to be performed during near-peak growing periods. The State of North Carolina protects areas that are dominated by submerged aquatic vegetation (SAV), which are called "SAV beds". The SAV survey will include establishing sampling transects along the entire riparian boundary of the subject property (approximately 2,000 lf). Along each transect, sampling stations will be developed. At each station, water depths, substrate types, and SAV identification and coverage will be performed. Where any live SAV is encountered, coverage estimates will be made based on published percent cover standards. In addition, species composition will be recorded.

PAYMENT TO CONSULTANT

Client shall pay Quible for services rendered under this Agreement as follows: **TOTAL SCOPE: \$5,000** This fee includes all reimbursable expenses (i.e. mileage, prints, etc.). Any federal, state or local permit fees will be paid directly by the Client. If authorized in writing by Client, and agreed to by Quible, services beyond the scope of this Agreement will be performed by for agreed to additional compensation at a later date and may include items described in section IV, land surveying, etc.

Each monthly statement amount shall be due and payable on or before the 15th day of the invoice month. Non-payment of the current statement amount, in full, by the 25th of the current month, shall constitute cause for a work stoppage on the project; unless prior written arrangements for payment have been agreed thereto. Any unpaid balance aged 30 days or more shall be subject to a service charge of 1.5% per month until paid in full, including the service charge. Should a work stoppage be caused, for a non payment, as described above, work shall not proceed until satisfactory arrangements have been made between the signers of this agreement.

This is a performance contract. Parties, hereto, agree that payment for services shall be made based upon completion of tasks outlined under this Agreement, and shall not be conditioned upon an event, such as securing a permit, or other event.

Please execute and return this agreement to Quible as authorization to proceed and retain a copy for your files. Please call with any questions or requests for additional information at (252)261-3300.

Sincerely,
QUIBLE & ASSOCIATES, P.C.

**ORDINANCE PROHIBITING THE CARRYING OF DEADLY WEAPONS
ON BERTIE COUNTY PROPERTY AND PERMITTING THE POSTING OF SIGNS TO
PROHIBIT THE CARRYING OF DEADLY WEAPONS
ON BERTIE COUNTY PROPERTY**

WHEREAS, Bertie County is authorized pursuant to NCGS 153A-121 to define, regulate, and prohibit by ordinance acts detrimental to the health, safety, or welfare of its citizens; and

WHEREAS, the Board of Commissioners is concerned about the increased presence of deadly weapons, as defined in NCGS 14-269, on County property and about the threat that such increased presence will pose to the health, safety, and general welfare of the community; and

WHEREAS, Bertie County desires to prohibit the carrying of deadly weapons on or in Bertie County government property; and

WHEREAS, the County of Bertie desires to provide for the posting of said prohibition in or on Bertie County government buildings owned or operated by the county of Bertie such that the carrying of deadly weapons will constitute a violation of law;

NOW, THEREFORE, BE IT ORDAINED by the Bertie County Board of Commissioners that:

Section 1. Prohibition It shall be unlawful for any person to carry openly any gun, rifle, pistol, dynamite cartridge, bomb, grenade, mine, powerful explosive as defined in N.C..G.S.§14-269.2, blackjack, metallic knuckles, razor, shurikin, stun gun, or any other deadly weapon of any kind defined under N.C.G.S. §14-269, in or on Bertie County property now or hereafter owned, leased as lessee, operated, occupied, managed, or controlled by Bertie County (hereinafter Bertie County property).

Additionally it shall be unlawful for any person while on County property to carry a concealed handgun, whether or not the carrying of said concealed handgun is pursuant to a lawfully issued concealed handgun permit.

Section 2. Posting of Signs Required The County Manager or his or her designee is hereby ordered to post appropriate signage on each building or portion of a building now or hereafter owned, leased as lessee, operated, occupied, managed or controlled by Bertie County indicating that the carrying of deadly weapons and concealed handguns are prohibited in Bertie County buildings.

Section 3. Location of Signs Signs prohibiting the carrying of deadly weapons shall be posted so as to be visible prior to entering the building. The County Manager shall exercise discretion in determining the necessity and appropriate location for other signs posted on the interior of the building.

Section 4. Exemptions This ordinance shall not apply to the following:

- A. Officers and enlisted personnel of the armed forces of the United States when in discharge of their official duties as such and acting under orders requiring them to carry arms and weapons;
- B. Civil officers of the United States while in the discharge of their official duties;
- C. Officers and Soldiers of the militia and the national guard when called into actual service;
- D. Officers of the State, or of any county, city, or town charged with the execution of the laws of the State, when acting in the discharge of their official duties;
- E. Sworn law enforcement officers;

- F. Such other persons, firm, corporation, or any other combination of individuals specifically authorized by the Sheriff of Bertie County or his designee to possess deadly weapons on county property. Provided, however, such authorization shall be in writing signed by the Bertie County Sheriff or his designee, a copy of such authorization shall be carried by such authorized person at all times while on Bertie County property and such authorization shall be presented for inspection, if requested, to any person that so requests. Provided further, that the Bertie County Sheriff or his designee shall notify in writing the Bertie County Manager of all persons, firms, corporations or any other combinations of individuals specifically authorized to carry deadly weapons on Bertie County property

Section 5. Violations Violations of this Ordinance shall be punishable as a misdemeanor as provided by law.

Section 6. Repeal of Conflicting Ordinances All Ordinances or any part of Ordinances in conflict with this Ordinance are hereby repealed to the extent of such conflict.

Section 7. Severability If this Ordinance or application thereof to any person or circumstance is held invalid or unconstitutional by a court of competent jurisdiction, such holding shall not affect other provisions or applications of the Ordinance which can be given separate effect, and to that end the provisions of this Ordinance are declared severable.

This Ordinance shall be effective on and after the date of adoption.

Adopted this the ____ day of _____, 2016

John Trent, Chairman
Bertie County Board of Commissioners

Attest:

Sarah Tinkham, Clerk to the Board
