§ 105-373. Settlements.

- (a) Annual Settlement of Tax Collector. -
 - (1) Preliminary Report. After July 1 and before he is charged with taxes for the current fiscal year, the tax collector shall make a sworn report to the governing body of the taxing unit showing:
 - a. A list of the persons owning real property whose taxes for the preceding fiscal year remain unpaid and the principal amount owed by each person; and
 - b. A list of the persons not owning real property whose personal property taxes for the preceding fiscal year remain unpaid and the principal amount owed by each person. (To this list the tax collector shall append his statement under oath that he has made diligent efforts to collect the taxes due from the persons listed out of their personal property and by other means available to him for collection, and he shall report such other information concerning these taxpayers as may be of interest to or required by the governing body, including a report of his efforts to make collection outside the taxing unit under the provisions of G.S. 105-364.) The governing body of the taxing unit may publish this list in any newspaper in the taxing unit. The cost of publishing this list shall be paid by the taxing unit.
 - (2) Insolvents. Upon receiving the report required by subdivision (a)(1), above the governing body of the taxing unit shall enter upon its minutes the names of persons owing taxes (but who listed no real property) whom it finds to be insolvent, and it shall by resolution designate the list entered in its minutes as the insolvent list to be credited to the tax collector in his settlement.
 - (3) Settlement for Current Taxes. After July 1 and before he is charged with taxes for the current fiscal year, the tax collector shall make full settlement with the governing body of the taxing unit for all taxes in his hands for collection for the preceding fiscal year.
 - a. In the settlement the tax collector shall be charged with:
 - 1. The total amount of all taxes in his hands for collection for the year, including amounts originally charged to him and all amounts subsequently charged on account of discoveries;
 - 2. All penalties, interest, and costs collected by him in connection with taxes for the current year; and
 - 3. All other sums collected by him.
 - b. The tax collector shall be credited with:
 - 1. All sums representing taxes for the year deposited by him to the credit of the taxing unit or receipted for by a proper official of the unit;
 - 2. Releases duly allowed by the governing body;
 - 3. The principal amount of taxes constituting liens on real property;
 - 4. The principal amount of taxes included in the insolvent list determined in accordance with subdivision (a)(2), above;
 - 5. Discounts allowed by law;

- 6. Commissions (if any) lawfully payable to the tax collector as compensation; and
- 7. The principal amount of taxes for any assessment appealed to the Property Tax Commission when the appeal has not been finally adjudicated.

The tax collector shall be liable on his bond for both honesty and faithful performance of duty; for any deficiencies; and, in addition, for all criminal penalties provided by law.

The settlement, together with the action of the governing body with respect thereto, shall be entered in full upon the minutes of the governing body.

- (4) Disposition of Tax Receipts after Settlement. Uncollected taxes allowed as credits in the settlement prescribed in subdivision (a)(3), above, whether represented by tax liens held by the taxing unit or included in the list of insolvents, shall, for purposes of collection, be recharged to the tax collector or charged to some other person designated by the governing body of the taxing unit under statutory authority. The person charged with uncollected taxes shall:
 - a. Give bond satisfactory to the governing body;
 - b. Receive the tax receipts and tax records representing the uncollected taxes;
 - c. Have and exercise all powers and duties conferred or imposed by law upon tax collectors; and
 - d. Receive compensation as determined by the governing body.
- (b) Settlements for Delinquent Taxes. Annually, at the time prescribed for the settlement provided in subdivision (a)(3), above, all persons having in their hands for collection any taxes for years prior to the year involved in the settlement shall settle with the governing body of the taxing unit for collections made on each such year's taxes. The settlement for the taxes for prior years shall be made in whatever form is satisfactory to the chief accounting officer and the governing body of the taxing unit, and it shall be entered in full upon the minutes of the governing body.
- (c) Settlement at End of Term. Whenever any tax collector fails to succeed himself at the end of his term of office, he shall, on the last business day of his term, make full and complete settlement for all taxes (current or delinquent) in his hands and deliver the tax records, tax receipts, tax sale certificates, and accounts to his successor in office. The settlement shall be made in whatever form is satisfactory to the chief accounting officer and the governing body of the taxing unit, and it shall be entered in full upon the minutes of the governing body.
- (d) Settlement upon Vacancy during Term. When a tax collector voluntarily resigns, he shall, upon his last day in office, make full settlement (in the manner provided in subsection (c), above) for all taxes in his hands for collection. In default of such a settlement, or in case of a vacancy occurring during a term for any reason, it shall be the duty of the chief accounting officer or, in the discretion of the governing body, of some other qualified person appointed by it immediately to prepare and submit to the governing body a report in the nature of a settlement made on behalf of the former tax collector. The report, together with the governing body's action with respect thereto, shall be entered in full upon the minutes of the governing body. Whenever a settlement must be made in behalf of a former tax collector, as provided in this subsection (d), the governing body may deliver the tax receipts, tax records, and tax sale certificates to a

successor collector immediately upon the occurrence of the vacancy, or it may make whatever temporary arrangements for the collection of taxes as may be expedient, but in no event shall any person be permitted to collect taxes until he has given bond satisfactory to the governing body.

- (e) Effect of Approval of Settlement. Approval of any settlement by the governing body does not relieve the tax collector or his bondsmen of liability for any shortage actually existing at the time of the settlement and thereafter discovered; nor does it relieve the collector of any criminal liability.
- (f) Penalties. In addition to any other civil or criminal penalties provided by law, any member of a governing body of a taxing unit, tax collector, or chief accounting officer who fails to perform any duty imposed upon him by this section shall be guilty of a Class 1 misdemeanor.
- (g) Relief from Collecting Insolvents. The governing body of any taxing unit may, in its discretion, relieve the tax collector of the charge of taxes owed by persons on the insolvent list that are five or more years past due when it appears to the governing body that such taxes are uncollectible.
- (h) Relief from Collecting Taxes on Classified Motor Vehicles. The board of county commissioners may, in its discretion, relieve the tax collector of the charge of taxes on classified motor vehicles listed pursuant to G.S. 105-330.3(a)(1) that are one year or more past due when it appears to the board that the taxes are uncollectible. This relief, when granted, shall include municipal and special district taxes charged to the collector. North Carolina General Statute 105-321 Authorization to Collect § 105-321. Disposition of tax records and receipts; order of collection.

- (c) The original tax receipts, together with any duplicate copies that may have been prepared, shall be delivered to the tax collector by the governing body on or before the first day of September each year if the tax collector has made settlement as required by G.S. 105-352. The tax collector shall give his receipt for the tax receipts and duplicates delivered to him for collection.
 - (d) Repealed by Session Laws 2006-30, s. 5, effective June 29, 2006.
- (e) The governing body of a taxing unit may contract with a bank or other financial institution for receipt of payment of taxes payable at par and of delinquent taxes and interest for the current tax year. A financial institution may not issue a receipt for any tax payments received by it, however. Discount for early payment of taxes shall be allowed by a financial institution that contracts with a taxing unit pursuant to this subsection to the same extent as allowed by the tax collector. A financial institution that contracts with a taxing unit for receipt of payment of taxes shall furnish a bond to the taxing unit conditioned upon faithful performance of the contract in a form and amount satisfactory to the governing body of the taxing unit. A governing body of a taxing unit that contracts with a financial institution pursuant to this subsection shall publish a timely notice of the institution at which taxpayers may pay their taxes in a newspaper having

circulation within the taxing unit. No notice is required, however, if the financial institution receives payments only through the mail.

- Minimal Taxes. Notwithstanding the provisions of G.S. 105-380, the governing body of a taxing unit that collects its own taxes may, by resolution, direct its assessor and tax collector not to collect minimal taxes charged on the tax records and receipts. Minimal taxes are the combined taxes and fees of the taxing unit and any other units for which it collects taxes, due on a tax receipt prepared pursuant to G.S. 105-320 in a total original principal amount that does not exceed an amount, up to five dollars (\$5.00), set by the governing body. The amount set by the governing body should be the estimated cost to the taxing unit of billing the taxpayer for the amounts due on a tax receipt or tax notice. Upon adoption of a resolution pursuant to this subsection, the tax collector shall not bill the taxpayer for, or otherwise collect, minimal taxes but shall keep a record of all minimal taxes by receipt number and amount and shall make a report of the amount of these taxes to the governing body at the time of the settlement. These minimal taxes shall not be a lien on the taxpayer's real property and shall not be collectible under Article 26 of this Subchapter. A resolution adopted pursuant to this subsection must be adopted on or before June 15 preceding the first taxable year to which it applies and remains in effect until amended or repealed by resolution of the taxing unit. A resolution adopted pursuant to this subsection shall not apply to taxes on registered motor vehicles.
- Minimal Refunds. The governing body of a taxing unit that collects its own taxes may, by resolution, direct the taxing unit not to mail a refund for an overpayment of tax if the refund is less than fifteen dollars (\$15.00). Upon adoption of a resolution pursuant to this subsection, the taxing unit shall keep a record of all minimal refunds by receipt number and amount and shall make a report of the amount of these refunds to the governing body at the time of the settlement and shall implement a system by which payment of the refund may be made to a taxpayer who comes into the office of the taxing unit seeking the refund. Unless the taxpayer requests the minimal refund in person at the office of the taxing unit before the end of the fiscal year in which the refund is due, the taxing unit must implement a system to apply the minimal refund as a credit against the tax liability of the taxpayer for taxes due to the taxing unit for the next succeeding year. An overpayment of tax bears interest at the rate set under G.S. 105-241.21 from the date the interest begins to accrue until a refund is paid or applied in accordance with this section. Interest accrues from the later of the date the tax was paid and the date the tax would have been considered delinquent under G.S. 105-360. A resolution adopted pursuant to this subsection must be adopted on or before June 15 preceding the first taxable year to which it applies and remains in effect until amended or repealed by resolution of the taxing unit. (1939, c. 310, s. 1103; 1971, c. 806, s. 1; 1973, c. 476, s. 193; c. 615; 1987, c. 45, s. 1; 1989, c. 578, s. 1; 1991, c. 584, s. 1; 1995, c. 24, s. 1; c. 329, ss. 1, 2; 1999-456, s. 59; 2006-30, s. 5; 2012-79, s. 3.1; 2015-266, s. 2.)

To the Tax Administrator of the County of Bertie

You are hereby authorized, empowered, and commanded to collect the taxes set forth in the tax records, current and delinquent, filed in the office of the Tax Administrator and in the tax receipts herewith delivered to you in the amounts and from the taxpayers likewise therein set forth. Such taxes are hereby declared to be a first lien upon all real property of the respective taxpayers in the County of Bertie, and this order shall be a full and sufficient authority to direct, require, and enable you to levy on and sell any real or personal property of such taxpayers, for and on account thereof, in accordance with law.

A **MOTION** was made to go into closed session under North Carolina General Statute 143-318.11 (3)-(6) by Commissioner Wesson. The **MOTION** to go into closed session was **SECONDED** by Commissioner Roberson. The **MOTION PASSED** with a 4-0 vote.

REPORTS & APPOINTMENTS (A)

Update and Presentation by ABC Board Chair Michael Freeman

Chair Lee stated ABC Board Chair Michael Freeman spoke to the Board in closed session and no action is necessary at this time.

Library & Cooperative Extension Construction Project Update by MHA Works Project Architects Amber Idol & Dani Hoff

Amber Idol stated the project was going well and provided updates on the interior and exterior of the facility. Flooring is about 99 percent complete. The bookshelves have been installed. Deliveries for appliances are delayed due to the pandemic. The rest of the furniture will probably be delivered and set up at the end of this month. On the exterior, the metal panels are about 99 percent complete; there is some minor trim work to finish. The wood paneling is about 75 percent complete. The window boxes were onsite last week as well. Exterior lighting is coming along and landscaping has begun. Concrete is about 90 percent complete. The pond is finished. Amber stated that the Building Inspector will probably give a temporary Certificate of Occupancy without the kitchen appliances, so the kitchen will not be able to be used yet. The weather continues to be a factor for completing the exterior. Amber will continue to get a weekly update from the contractors. Amber stated we are now looking at a date past mid-March for the ribbon cutting because of the weather.

Presentation of 2020 Unpaid Taxes Report by Tax Administrator Jodie Rhea

Jodie Rhea stated each year before advertisement, he reports to the board on unpaid real and property taxes that are to be advertised. Jodie stated we are at the same place we were last year at this time (89.96 percent). Jodie predicted that we should have a higher collection rate this year due to the county-wide reappraisal value increase; thus, there is additional revenue to collect. Jodie advised the collection rate is lower than he would like it to be. But given the pandemic, plus the

increase in values from reappraisals, there are several taxpayers that normally pay by now who have not. He stated that normally they advertise in late March or April and he is planning to advertise ahead of time to get the collection rate back up.

Commissioner Wesson wanted to know how far we were off and if that was a problem for us. He also asked if Jodie thought that we would be able to catch up. He stated that if we are going to be off then we need to know.

Jodie stated that he didn't see a problem because after advertising, there is always a big influx of payments. Jodie stated they are going after the taxpayers proactively and trying to get the money in as soon as possible. Jodie stated that he really didn't see an issue.

Commissioner Wesson advised Jodie, as the Board gets closer to the time they are going to have to do budget, to please provide an update on where we're likely to be because this is a major factor in the Budget.

Jodie stated that when he finalizes the month end for each month, he will start sending that information. This will show what has been collected and what is outstanding.

Covid-19 & Vaccination Distribution Update by Albemarle Regional Health Services

Battle Betts and Ashley Stoop advised they had a very successful vaccination clinic in Bertie County today, serving 455 people. Ashley gave an overview of the cases. Ashley stated that as of right now, Bertie County only has 40 active cases. She stated that they were beginning to see a downward trend in active cases. Ashley stated right now there are two vaccines that are approved for emergency use, which include the Pfizer vaccine and the Moderna vaccine. Moderna is primarily given in this region. The Moderna vaccine is a little easier to manage, so it really helps them to expedite their processes. The primary difference is that Pfizer is given about 21 days apart and the Moderna is given about 28 days apart. There is some flexibility in those days. The Johnson & Johnson vaccine should receive the emergency use authorization this week. Ashley stated that Bertie County is definitely a model for hosting vaccination clinics. She stated they will be starting second doses this week. Battle stated they are trying to do all they can to get as much of the vaccine as they can.

A brief discussion was held by the Board and Battle in reference to getting the minority community vaccinated.

Chair Lee asked Battle how will the line on Wednesday be monitored for the second dose. Mr. Battle advised in order to ensure the second dose clinic goes smoothly and no one holds up the line, they are asking people to bring their CDC printed card that shows the verification of the first dose. This would expedite the process. Ashley stated that they have asked people to sign up on their website so that they can send targeted messages.

The NCACC approved five goals and the first one is related to broadband. There is bipartisan support for the bond providing financial support for broadband in rural communities.

Commissioner Roberson

INVOCATION/PLEDGE OF ALLEGIANCE

Commissioner Roberson gave the Invocation and led the Pledge of Allegiance.

CLOSED SESSION

A **MOTION** was made to go into closed session by Commissioner Trent under North Carolina General Statue §143-318.11(a) (3-5). The **MOTION** was **SECONDED** by Commissioner Wesson. The **MOTION PASSED** with a 5-0 vote.

APPROVAL OF BERTIE COUNTY CONFLICT OF INTEREST STATEMENT

County Manager Vaughan stated the approval of the Bertie County Conflict of Interest Statement was needed to be eligible for a grant. The board adopted a conflict of interest policy in 2015 as a part of a federal procurement policy. USDA provided a template with the conflict of interest statement they will approve, which was forwarded to Attorney Huddleston.

Attorney Huddleston stated the new conflict of interest statement is appropriate and is statutorily required under NCGS §153.53 and § 168.86, which is mentioned at the beginning of the policy. He further mentioned every county has to have a Code of Ethics or Conflict of Interest Policy in place, which came into effect six or eight years ago. The conflict of interest statement approved in 2015 is geared almost exclusively to Federally funded projects and the State said they did not feel like they were included in that. He stated that the updated statement doesn't just talk about federal or state projects; it just says projects. The MOTION to APPROVE this item was made by Commissioner Trent. The MOTION was SECONDED by Commissioner Wesson. The MOTION PASSED with a 5-0 vote.

WATER RATE STUDY-WATER SUPERINTENDENT RICKY SPIVEY

Superintendent Ricky Spivey stated that at the last meeting we were requested to provide the water rates of surrounding counties to compare to our rates. Mr. Spivey presented the Board with a handout, which included water rate information from several surrounding counites (Chowan, Greene County, Hertford, Northampton, Martin, Pasquotank and Perquimans).

Superintendent Rickey Spivey and the Board discussed the flat rate of the other counties and the flat rate that we have, which is \$15.50 (whether you use the water or not) and \$4.50 per thousand gallons. Mr. Spivey suggested going from the flat rate of \$15.50 to \$16.50 and the commodity rate of \$4.50 to \$5.50. Mr. Spivey showed the Board some projections in different scenarios, which would yield a big increase in revenue for our Water Department.

Superintendent Spivey pointed out that it was highly recommend back in 2016 to at least look at the possibility of increasing the water rates at least once every year or every other year. Superintendent Spivey stated it was not done. Superintendent Spivey stated that his recommendation is to move forward with the increase.

County Manager Vaughan stated that in 2018 the Water Department fell short approximately \$8,000, which was pretty close to breaking even and in 2019 they fell short approximately \$190,000. County Manager Vaughan stated that loss had a lot to do with Avoca's reduction of water use.

Discussion about the amount of increase needed continue among the Board, Manager Vaughan, Superintendent Spivey and Director Roberson.

County Manager Vaughan stated that the he, Superintendent Spivey, and Director Roberson were going to get together and provide the additional information requested by the Board including the amount of fund balance in the Water Fund.

RECESS

Chair Lee advised that they would recess until 12:15pm.

BUDGET UPDATE & DISCUSSION CONTINUED

County Manager Vaughan stated that Finance Director William Roberson had a handout highlighting where we currently are with our budget. Director Roberson distributed and discussed the handout.

County Manager discussed the slide the auditor showed during his audit presentation where he stated the available fund balance as a percentage of general fund expenditures is 3.3%. County Manager explained the 3.3% was the unassigned fund balance. County Manager Vaughan advised that our available fund balance for fiscal year 2018-19 is 7.44%.

Finance Director William Roberson stated he is not aware of any requirement for the unassigned fund balance to be a certain amount.

The Board, the Finance Director, and the County Manager discussed the lateness of the audit and the importance of timely audits.

County Manager Vaughan advised the Board that as of right now there is not a work session scheduled for the month of March, just a regular meeting scheduled for March 15th. The Board advised the County Manager to change the March 15th meeting to a morning meeting at 10:00 AM instead. The March 15th meeting was then changed from 6:00 PM to 10:00 AM to allow for further discussion on the budget with public comments still on the Agenda.

County Manager Vaughan stated that he sent the fire departments a letter as requested by the Board. The letter requested audits for fire departments that had audits available. If audits were not completed, the fire departments were asked to provide revenues and expenditures for the last three years.

OTHER ITEMS AS NEEDED

County Manager Vaughan stated there were no additional items for discussion.

ADJOURNMENT

A **MOTION** to adjourn the meeting the meeting was made by Commissioner Trent. The **MOTION** was **SECOND** by Commissioner Wesson. The **MOTION PASSED** with a **5-0** vote.

The meeting was then adjourned.

hereby agree as follows:

- 1. The Auditor shall audit all statements and disclosures required by U.S. generally accepted auditing standards (GAAS) and additional required legal statements and disclosures of all funds and/or divisions of the Governmental Unit(s). The non-major combining, and individual fund statements and schedules shall be subjected to the auditing procedures applied in the audit of the basic financial statements and an opinion shall be rendered in relation to (as applicable) the governmental activities, the business- type activities, the aggregate DPCUs, each major governmental and enterprise fund, and the aggregate remaining fund information (non-major government and enterprise funds, the internal service fund type, and the fiduciary fund types).
- 2. At a minimum, the Auditor shall conduct his/her audit and render his/her report in accordance with GAAS. The Auditor shall perform the audit in accordance with *Government Auditing Standards* if required by the State Single Audit Implementation Act, as codified in G.S. 159-34. If required by 0MB *Uniform Administration Requirements*, Cost *Principles, and Audit Requirements for Federal Awards* (Uniform Guidance) and the State Single Audit Implementation Act, the Auditor shall perform a Single Audit. This audit and all associated audit documentation may be subject to review by Federal and State agencies in accordance with Federal and State laws, including the staffs of the Office of State Auditor (OSA) and the Local Government Commission (LGC). If the audit requires a federal single audit performed under the requirements found in Subpart F of the Uniform Guidance (§200.501), it is recommended that the Auditor and Governmental Unit(s) jointly agree, in advance of the execution of this contract, which party is responsible for submission of the audit and the accompanying data collection form to the Federal Audit Clearinghouse as required under the Uniform Guidance (§200.512).

If the audit and Auditor communication are found in this review to be substandard, the results of the review may be forwarded to the North Carolina State Board of CPA Examiners (NC State Board).

- 3. If an entity is determined to be a component of another government as defined by the group audit standards, the entity's auditor shall make a good faith effort to comply in a timely manner with the requests of the group auditor in accordance with AU-6 §600.41 §600.42.
- 4. This contract contemplates an unmodified opinion being rendered. If during the process of conducting the audit, the Auditor determines that it will not be possible to render an unmodified opinion on the financial statements of the unit, the Auditor shall contact the LGC Staff to discuss the circumstances leading to that conclusion as soon as is practical and before the final report is issued. The audit shall include such tests of the accounting records and such other auditing procedures as are considered by the Auditor to be necessary in the circumstances. Any limitations or restrictions in scope which would lead to a qualification should be fully explained in an attachment to this contract.
- 5. If this audit engagement is subject to the standards for audit as defined in *Government Auditing Standards*, 2018 revision, issued by the Comptroller General of the United States, then by accepting this engagement, the Auditor warrants that he/she has met the requirements for a peer review and continuing education as specified in *Government Auditing Standards*. The Auditor agrees to provide a copy of the most recent peer review report to the Governmental Unit(s) and the Secretary of the LGC prior to the execution of an audit contract. Subsequent submissions of the report are required only upon report expiration or upon auditor's receipt of an updated peer review report. If the audit firm received a peer review rating other than pass, the Auditor shall not contract with the Governmental Unit(s) without first contacting the Secretary of the LGC for a peer review analysis that may result in additional contractual requirements.

If the audit engagement is not subject to *Government Accounting Standards* or if financial statements are not prepared in accordance with U.S. generally accepted accounting principles (GAAP) and fail to include all disclosures required by GAAP, the Auditor shall provide an explanation as to why in an attachment to this contract or in an amendment.

6. It is agreed that time is of the essence in this contract. All audits are to be performed and the report of audit submitted to LGC Staff within four months of fiscal year end, which is November 30, 2021.

The parties agree that a delay in completing the audit will result in damages to Bertie County such as increased administrative costs, difficulty in budgeting, potential damage to credit rating, and other damages which are difficult or impossible to determine. It is therefore agreed that in view of the difficulty of making a precise determination of such damages a sum in the amount of \$300.00 per day will be charged against the auditor for each calendar day that the audit remains uncompleted and undelivered after November 30, 2021 not as a penalty but as liquidated damages.

Should the auditor fail to complete the work by November 30, 2021, a deduction of \$300.00 per day as liquidated damages will be made for each full or partial calendar day that said audit remains uncompleted or undelivered. This amount will be deducted from any amount owed to the auditor under this contract and the auditor will be liable for any liquidated damages more than the amount due.

No liquidated damages will be chargeable for any delay in the final completion of the audit by Bertie County because of any action, negligence, omission, or delay of Bertie County, its employees, or agents.

In any suit for the collection of or involving assessment of liquidated damages, the reasonableness of the amount stipulated in this contract will be presumed. The liquidated damages referred to herein are intended to be and are cumulative and will be in addition to every other remedy now or hereinafter enforceable at law and equity by statute or under this contract.

The parties agree that the amount of daily liquidated damages bears a reasonable and proximate relationship to the damages which Bertie County will or might suffer from failure to produce and deliver the audit to it by November 30, 2021, and this amount is not a penalty.

- 7. It is agreed that GAAS include a review of the Governmental Unit's (Units') systems of internal control and accounting as same relate to accountability of funds and adherence to budget and law requirements applicable thereto; that the Auditor shall make a written report, which may or may not be a part of the written report of audit, to the Governing Board setting forth his/her findings, together with his recommendations for improvement. That written report shall include all matters defined as "significant deficiencies and material weaknesses" in AU-C 265 of the A/CPA Professional Standards (Clarified). The Auditor shall file a copy of that report with the Secretary of the LGC.
- 8. All local government and public authority contracts for audit or audit-related work require the approval of the Secretary of the LGC. This includes annual or special audits, agreed upon procedures related to internal controls, bookkeeping or other assistance necessary to prepare the Governmental Unit's (Units') records for audit, financial statement preparation, any finance-related investigations, or any other audit-related work in the State of North Carolina. Approval is not required on contracts and invoices for system improvements and similar services of a non-auditing nature.
- 9. Invoices for services rendered under these contracts shall not be paid by the Governmental Unit(s) until the invoice has been approved by the Secretary of the LGC. (This also includes any progress billings.) [G.S.159-34 and 115C-447] All invoices for Audit work shall be submitted in PDF format to the Secretary of the LGC for approval. The invoice marked 'approved 'with approval date shall be returned to the Auditor to present to the Governmental Unit(s) for payment. This paragraph is not applicable to contracts for audits of hospitals.
- 10. In consideration of the satisfactory performance of the provisions of this contract, the Governmental Unit(s) shall pay to the Auditor, upon approval by the Secretary of the LGC if required, the fee, which includes any costs the Auditor may incur from work paper or peer reviews or any other quality assurance program required by third parties (federal and state grantor and oversight agencies or other organizations) as required under the Federal and State Single Audit Acts. This does not include fees for any pre-issuance reviews that may be required by the NC Association of CPAs (NCACPA) Peer Review Committee or NC State Board of CPA Examiners (see Item 13).
- 11. If the Governmental Unit(s) has/have outstanding revenue bonds, the Auditor shall submit to LGC Staff, either in the notes to the audited financial statements or as a separate report, a calculation demonstrating compliance with the revenue bond rate covenant. Additionally, the Auditor shall submit to LGC Staff simultaneously with the Governmental Unit's (Units') audited financial statements any other bond compliance statements or additional reports required by the authorizing bond documents, unless otherwise specified in the bond documents.
- 12. After completing the audit, the Auditor shall submit to the Governing Board a written report of audit. This report shall include, but not be limited to, the following information: (a) Management's Discussion and Analysis, (b) the financial statements and notes of the Governmental Unit(s) and all of its component units prepared in accordance with GMP, (c) supplementary information requested by the Governmental Unit(s) or required for full disclosure under the law, and (d) the Auditor's opinion on the material presented. The Auditor shall furnish the required number of copies of the report of audit to the Governing Board upon completion.
- 13. If the audit firm is required by the NC State Board, the NCACPA Peer Review Committee, or the Secretary of the LGC to have a pre-issuance review of its audit work, there shall be a statement in the engagement letter indicating the pre-issuance review requirement. There also shall be a statement that the Governmental Unit(s) shall not be billed for the pre-issuance review. The pre-issuance review shall be performed prior to the completed audit being submitted to LGC Staff. The pre-issuance review report shall accompany the audit report upon submission to LGC Staff.
- 14. The Auditor shall submit the report of audit in PDF format to LGC Staff. For audits of units other than hospitals, the audit report should be submitted when (or prior to) submitting the final invoice for services rendered. The report of audit, as filed with the Secretary of the LGC, becomes a matter of public record for inspection, review and copy in the offices of the LGC by any interested parties. Any subsequent revisions to these reports shall be sent to the Secretary of the LGC along with an Audit Report Reissued Form (available on the Department of State Treasurer website).

These audited financial statements, excluding the Auditors' opinion, may be used in the preparation of official statements for debt offerings by municipal bond rating services to fulfill secondary market disclosure requirements of the Securities and Exchange Commission and for other lawful purposes of the Governmental Unit(s) without requiring consent of the Auditor. If the LGC Staff determines that corrections need to be made to the Governmental Unit's (Units') financial statements, those corrections shall be provided within three business days of notification unless another deadline is agreed to by LGC Staff.

- 15. Should circumstances disclosed by the audit call for a more detailed investigation by the Auditor than necessary under ordinary circumstances, the Auditor shall inform the Governing Board in writing of the need for such additional investigation and the additional compensation required therefore. Upon approval by the Secretary of the LGC, this contract may be modified or amended to include the increased time, compensation, or both as may be agreed upon by the Governing Board and the Auditor.
- 16. If an approved contract needs to be modified or amended for any reason, the change shall be made in writing and pre-audited if the change includes a change in audit fee (pre-audit requirement does not apply to charter schools or hospitals). This amended contract shall be completed in full, including a written explanation of the change, signed and dated by all original parties to the contract. It shall then be submitted to the Secretary of the LGC for approval. No change to the audit contract shall be effective unless approved by the Secretary of the LGC, the Governing Board, and the Auditor.
- 17. A copy of the engagement letter, issued by the Auditor and signed by both the Auditor and the Governmental Unit(s), shall be attached to this contract, and except for fees, work, and terms not related to audit services, shall be incorporated by reference as if fully set forth herein as part of this contract. In case of conflict between the terms of the engagement letter and the terms of this contract, the terms of this contract shall take precedence. Engagement letter terms that conflict with the contract are deemed to be void unless the conflicting terms of this contract are specifically deleted in Item 28 of this contract. Engagement letters containing indemnification clauses shall not be accepted by LGC Staff.
 - 18. Special provisions should be limited. Please list any special provisions in an attachment.
- 19. A separate contract should not be made for each division to be audited or report to be submitted. If a DPCU is subject to the audit requirements detailed in the Local Government Budget and Fiscal Control Act and a separate audit report is issued, a separate audit contract is required. If a separate report is not to be issued and the DPCU is included in the primary government audit, the DPCU shall be named along with the primary government on this audit contract. DPCU Board approval date, signatures from the DPCU Board chairman and finance officer also shall be included on this contract.
- 20. The contract shall be executed, pre-audited (pre-audit requirement does not apply to charter schools or hospitals), and physically signed by all parties including Governmental Unit(s) and the Auditor, then submitted in PDF format to the Secretary of the LGC.
- 21. The contract is not valid until it is approved by the Secretary of the LGC. The staff of the LGC shall notify the Governmental Unit and Auditor of contract approval by email. The audit should not be started before the contract is approved.
- 22. Retention of Client Records: Auditors are subject to the NC State Board of CPA Examiners' Retention of Client Records Rule 21 NCAC 08N .0305 as it relates to the provision of audit and other attest services, as well as non-attest services. Clients and former clients should be familiar with the requirements of this rule prior to requesting the return of records.
- 23. This contract may be terminated at any time by mutual consent and agreement of the Governmental Unit(s) and the Auditor, provided that (a) the consent to terminate is in writing and signed by both parties, (b) the parties have agreed on the fee amount which shall be paid to the Auditor (if applicable), and (c) no termination shall be effective until approved in writing by the Secretary of the LGC.
- 24. The Governmental Unit's (Units') failure or forbearance to enforce, or waiver of, any right or an event of

breach or default on one occasion or instance shall not constitute the waiver of such right, breach or default on any subsequent occasion or instance.

- 25. There are no other agreements between the parties hereto and no other agreements relative hereto that shall be enforceable unless entered into in accordance with the procedure set out herein and approved by the Secretary of the LGC.
- 26. E-Verify. Auditor shall comply with the requirements of NCGS Chapter 64 Article 2. Further, if Auditor utilizes any subcontractor(s), Auditor shall require such subcontractor(s) to comply with the requirements of NCGS Chapter 64, Article 2.
- 27. **Applicable to audits with fiscal year ends of June 30, 2020 and later.** For all non-attest services, the Auditor shall adhere to the independence rules of the AICPA Professional Code of Conduct and Governmental Auditing Standards, 2018 Revision (as applicable). Financial statement preparation assistance shall be deemed a "significant threat" requiring the Auditor to apply safeguards sufficient to reduce the threat to an acceptable level. If the Auditor cannot reduce the threats to an acceptable level, the Auditor cannot complete the audit. If the Auditor is able to reduce the threats to an acceptable level, the documentation of this determination, including the safeguards applied, must be included in the audit workpapers.

All non-attest service(s) being performed by the Auditor that are necessary to perform the audit must be identified and included in this contract. The Governmental Unit shall designate an individual with the suitable skills, knowledge, and/or experience (SKE) necessary to oversee the services and accept responsibility for the results of the services performed. If the Auditor is able to identify an individual with the appropriate SKE, s/he must document and include in the audit workpapers how he/she reached that conclusion. If the Auditor determines that an individual with the appropriate SKE cannot be identified, the Auditor cannot perform both the non-attest service(s) and the audit. See "Fees for Audit Services" page of this contract to disclose the person identified as having the appropriate SKE for the Governmental Unit.

- 28. Applicable to audits with fiscal year ends of June 30, 2021 and later. The auditor shall present the audited financial statements including any compliance reports to the government unit's governing body or audit committee in an official meeting in open session as soon as the audited financial statements are available but not later than 45 days after the submission of the audit report to the Secretary. The auditor's presentation to the government unit's governing body or audit committee shall include:
 - a. the description of each finding, including all material weaknesses and significant deficiencies, as found by the auditor, and any other issues related to the internal controls or fiscal health of the government unit as disclosed in the management letter, the Single Audit or Yellow Book reports, or any other communications from the auditor regarding internal controls as required by current auditing standards set by the Accounting Standards Board or its successor;
 - b. the status of the prior year audit findings;
 - c. the values of Financial Performance Indicators based on information presented in the audited financial statements; and
 - d. notification to the governing body that the governing body shall develop a "Response to the Auditor's Findings, Recommendations, and Fiscal Matters," if required under 20 NCAC 03 .0508.
- 29. Information based on the audited financial statements shall be submitted to the Secretary for the purpose of identifying Financial Performance Indicators and Financial Performance Indicators of Concern.
- 30. Applicable to charter school contracts only: No indebtedness of any kind incurred or created by the charter school shall constitute an indebtedness of the State or its political subdivisions, and no indebtedness of the charter school shall involve or be secured by the faith, credit, or taxing power of the State or its political subdivisions.

- 31. All of the above paragraphs are understood and shall apply to this contract, except the following numbered paragraphs shall be deleted (See Item 16 for clarification).
- 32. The process for submitting contracts, audit reports and invoices is subject to change. Auditors and units should use the submission process and instructions in effect at the time of submission. Refer to the N.C. Department of State Treasurer website at https://www.nctreasurer.com/state-and-local-government-finance-division/local-government-commission/submitting-your-audit
- 33. All communications regarding audit contract requests for modification or official approvals will be sent to the email addresses provided on the signature pages that follow.
- 34. Modifications to the language and terms contained in this contract form (LGC-205) are not allowed.
