

JOB VACANCY
Bertie County

BUILDING CODES INSPECTOR – PLANNING & INSPECTIONS
\$32,995-34,644/yr.

The Bertie County Planning & Inspections Department is accepting applications from qualified individuals for a full-time **Building Codes Inspector**.

QUALIFICATIONS:

Requires high school diploma. Designation as Level II Inspector in all four building trades and fire with two – five years of experience preferable. Candidates with a minimum 2-year associate's trade degree or contractor's license may be considered, but must reach required certification levels within a minimum timeframe.

DESCRIPTION OF WORK:

This position requires knowledge in application of state CAMA, FEMA, and storm water regulations and applicability to NC building codes. The candidate must be computer literate, have excellent oral and written communication skills with ability to address citizen groups, panels, and boards. Benefits include NC retirement system, NC 401k, group health/dental/vision, and paid sick/vacation/holidays.

APPLICATION PROCESS:

Hiring rate of \$32,995-34,644 will be commensurate with certifications and experience. Qualified applicants must submit a Bertie County application available through the Division of Employment Services or Bertie County Human Resources Department located at 106 Dundee Street, Windsor, NC. Copies of NC certifications should be attached to the application. Resumes **cannot be accepted in lieu** of a county application, but may be attached to applications. All applications must be submitted by close of business on Wednesday, August 7, 2019. Questions can be relayed to the Planning & Inspections Director, Traci White, by calling 252-794-5336.
