Addendum to Hurricane Matthew Debris Removal RFP

- A. There will no longer be a mandatory pre-bid meeting for bidders

- B. The proposer shall be an equal employment opportunity employer and shall adhere to any local, state, or federal affirmative action requirements.

- C. Proposer to provide 5% bid bond with proposal. Upon activation of contract, successful contractor shall provide materials/labor payment and contract performance bonds.
 - For estimation purposes, you should use the Army Corp of Engineers Hurricane Debris Planning Model to estimate debris quantities. This should be done utilizing the Army Corp of Engineers medium range estimates for a category 3 hurricane.
